

HPCS'2003

HIGH-PERFORMANCE COMPUTING SYMPOSIUM

Sherbrooke (Québec) Canada, May 11-14 2003

INSTRUCTIONS FOR PREPARING CAMERA-READY MANUSCRIPTS

Manuscript submission deadline : January 17, 2003 (free format)
Notification of acceptance : February 14, 2003
Final Manuscript deadline : March 14, 2003

Only manuscripts for which at least one author is registered by March 14, 2003 will be published.

We accept only Camera-ready PDF or Postscript documents!:

1. The paper must be written in English or French and carefully checked for grammar and spelling.
2. Maximum length is 6 pages, in two-column format (10 point size). See next page for a more precise canvas.
3. Body text must be single spaced, with a double line between paragraphs and a five-space paragraph indentation.
4. Color illustrations should be converted to black and white. When converting to PDF, make sure that the resolution of images is adequate for printing (at least 300 dpi).
5. Long equations should be displayed and not inserted in the text.
6. Manuscripts prepared using LaTeX are acceptable, provided they respect the guidelines indicated on the canvas.
7. The paper should include!:
 - a. Title
 - b. Author's names, affiliations and current address
 - c. Abstract (maximum 200 words)
 - d. An introduction stating the nature of the problem and the purpose of the paper
 - e. References
8. Authors should keep in mind that the conference is multi-disciplinary, and that their paper should be suitable for a general, computing-minded, scientific readership.
